

Biographie Richard Steinschlag

Since childhood, the outgoing and likeable Austrian, Richard Steinschlag, has been fascinated with computergenerated music. By the age of 12, his interest in programming music with the commodore 64 and afterwards with an Amiga 500 had taken over. His desire to produce Music was no longer just a dream. He was completely determined to achieve his goal.

Finally in 1999 he has his first Liveact at a bigger Rave party in St. Pölten. Liveact in this times was more a playing of prepared, self composed tracks. His former artist profile name was „NC Joe“ and with his first gig he founded a soundsystem collective called „Brainfuckproject“. This was the production and liveact performing learning years.

After a few gigs, it had become quite obvious: this new sound is a part of the austrian styles and history of techno music and the tracks rocks the crowd! Ever since, computer-generated music has been an essential part of Richard Steinschlag life.

After completing his self-training with the new controller setups and modern traktor dj software in 2009, he decided to go deeper into the “matter of djing” and began to playing gigs in several different locations and sub-genres.

2012 he founded the „mind entertainment“ collective and start to organize techno and house events from czechia to vienna and lower austria.

2013 and 2014 he reached Beatport techno top 100 with „Never loose your house key“ (Pos 14) and „enjoy the electribe“ (Pos 11). Both tracks were released on Syntex records.

2015 He was co-founder from a 14 month club series in the Kulturzentrum „Schmelze“, project name „Kulturschmelze“. 14 month mostly 2 Events at night and 2 afterhours at weekend daytime. His skills to organize events, artists and play in every situation grew fast and the network in the scene brings him many succesfull gigs in the clubs in vienna.

2015 he got at the official new comer voting panel from tomorrow land, belgium.

2016 He starte as a dj for the event serie „Vienna Virus“ and after a break of the original founders Mind Entertainment got all rights and dates for this event brand and he organized with the new crew several vienna virus events at Werk Club Vienna til June 2018.

2018 A new album from minimal to techno is released in summer. 23 Tracks composed and produced completely by Richard Steinschlag.

Richard Steinschlag has displayed his technical “know how,” as a technical support for other artists at his own events and in the small collaboration venue „Kulturschmelze“ and on more then 150 club and festival gigs. He take every booking serious and prefer a intensive preparing time for very individual setups und special sample and loop creation to perform a unique and tot he event and playtime fitting set.

2018 Dezember: One release with remixes from Megablast and Ca.tter from an album track „Escalate the system“ and 2 brandnew own tracks as singles (Leiwand, Nuts) are released.
